***"BRINGING THE WORLD  
TO YOU!"***

**Everything you need to know about Australian Immigration, and  
Selling Businesses or Properties under the one roof!**

Our immigration partners are always working to identify the best visa option and assist in identifying the safest real estate and business opportunities in Australia. Those people selling properties or businesses should be aware that we assist people who are either

**'CASHED UP' or ASSET QUALIFIED** as assessed by  
the Department of Immigration and Border Patrol.

Importantly each of our 300 plus office partners across 80 countries receive automated listing details for every new property or business listed on INBIB. If sellers want their **properties** or **businesses** to be introduced to INBIB's clients/purchasers then we look forward to offering you the **benefits of our expertise**.

**Our focus and missions are to ensure:**

- Introduction of Australian migrants to Australian business opportunities, commercial real estate, residential real estate, employment and the Business Migration Units of the Dept of State Growth in each state in Australia.
- Overseas visitations to qualify and assess eligibility of new migrants to be able to purchase Australian business and property.
- Introduction of overseas and local business investor partners and business brokers.
- An easy-to-read website used as the instrument for our 300 overseas offices to introduce visa clients to Australian business and property in a one-to-one interview in the client's time zone.
- High search engine rankings.
- Quality leads.
- Use of 13 website for global market exposure
- Marketing of residential and commercial properties to Australians.

Our systems open more doors for a sale than those offered by any other single business broker or real estate agent.
